

# Laughing Through Life

## Babies...

- Can understand humor!
- Begin laughing at 3-4 months old.

## Toddlers... and Preschoolers...

- Love to play 'peek-a-boo'.
- Will try to make others laugh.
- Think it is funny when pictures and sounds don't match.

## School-Age Kids...

- Love to tell jokes.
- Think physical comedy is funny.

## Teenagers...

- Love to tell jokes.
- Might make fun of anything 'abnormal'.

## Adults:

- Often laugh at the funny things their kids do!
