

We can't wait to meet you and find out about your family.

See you for our first group on Thursday!

It was great to meet you and your family!

Don't forget to talk with the relative you picked.

See you on Thursday!

Your family tree showed us a lot about your family's heritage.

Remember to write in your diary during the week.

Water your family garden and we will see you on Thursday!

Routines are great! They make things work better.

Hope your job chart is filling up with stars. If you haven't yet, remember to watch your kids.

See you on Thursday!

When you stay within the limits,
it's easy to sit back and relax.

Know your safety
plan and stay
safe.

It's okay to ask for
help. Think about who
might help your children the
next time they need it.

Your family's
future can be what
you want it to be.

If you haven't yet,
think about your
spiritual resources.

See you on Thursday!

Stay true to
what you believe.

Remember to
relax with your kids.

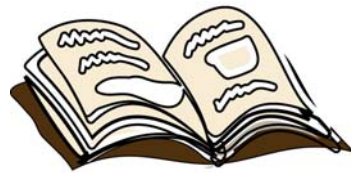

See you Thursday!

You can do it!
Don't let anything
get in the way.

See you Thursday!

Telling our story
will help us get
better.

You are ready to begin this
new part of your story.

See you Thursday!

Telling our story
will help us live
our story.

Keep up the
good work even
though it is hard.
